a) Children _____

b) Mothers _____

46. How do birds like kites move?

47. Name these items we use to clean our toilets.

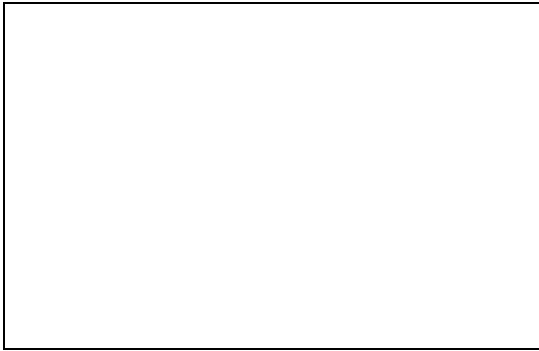

48. Write any two sources of food.

a) _____

b) _____

49. Draw any one tool used in the garden.

50. Name any two rooms found in a house.

a) _____

b) _____

51. Give any two different foods eaten at school.

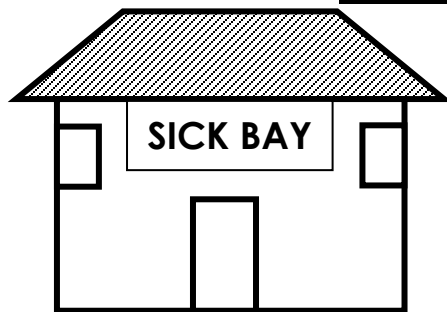

(i) _____

(ii) _____

52. Name one body exercise we do at school.

SECTION B: 70 MARKS

53.

a) Name any one person who works in the above place.

b) Which group of people are taken to the sickbay.

54. Give two uses of trees in a compound.

a) _____

b) _____

55. Mention any two wild animals.

a) _____

b) _____

56. Match the following correctly.

Rain helps to fly kites

Wind gives light to people

Sun gives us water

a) Rain _____

b) Wind _____

c) Sun _____

57. Draw these living things.

bird	cat

58. How do we keep our food safe?

a) _____

b) _____

59. Name any two items used in the kitchen.

a) _____

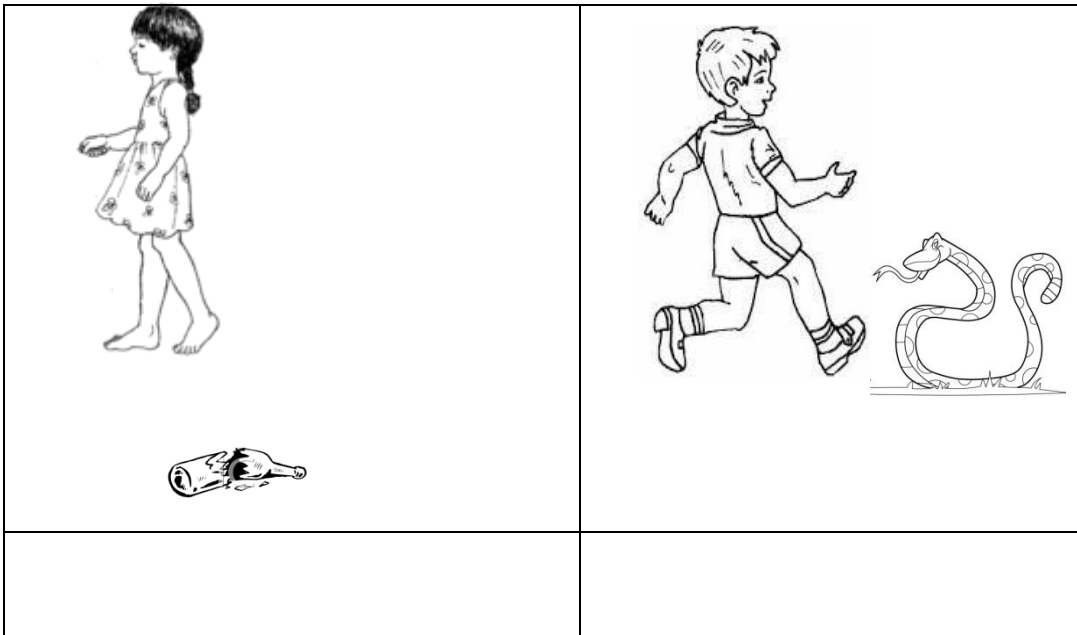

b) _____

60. How can you care for these parts of the body?

a) Eyes _____

b) Fingernails _____

61. Identify the accidents below.

62. Tick the insect which spreads diseases.

bee

grasshopper

mosquito

63. Write the young ones of the following animals.

a)hen _____

b)people _____

c)dog _____

64. Draw these items got from hides and skins.

belt	shoe	bag

65. Name one thing in a classroom where we dispose rubbish.

66. Write the sounds made by these animals

a)Cow _____

b)Dog _____

67. Draw and name two playing materials we make at school.

68. How many legs do these animals have?

(i) a goat _____

(ii) an insect _____

69. Draw the garden tool used for

Cutting trees	Digging

PAPER 3

SECTION A:

1. Name any one living thing at home.

2. Write the sense organ used for tasting food.

3. Why do people wash their hands after picking rubbish?

4. Name two places where people get food.
(i) _____
(ii) _____
5. How do we care for the following items?
(a) shoes _____

(a) bees _____

(b) grass hoppers _____

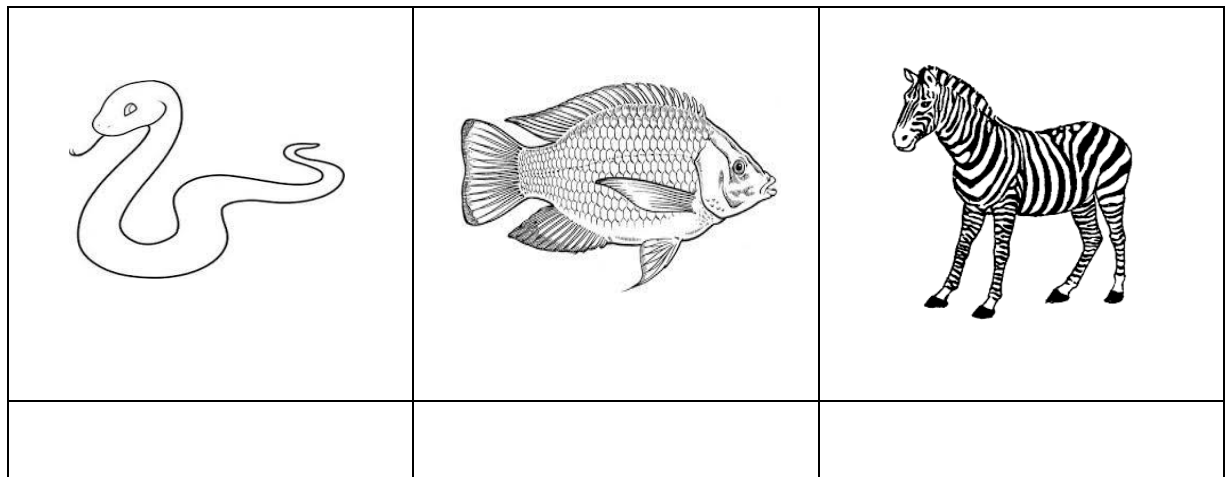

17. What is a balanced diet?

18. Name these items used to keep clean.

19. Why do animals move from one place to another?

20. Name these wild animals.

21. Where in a classroom is rubbish put?

22. Write any one dangerous wild animal.

23. How are toilets kept clean?

24. Write two places where people get food.

(i) _____

(ii) _____

25. Write two common diseases at home.

(i) _____

(ii) _____

26. Why do people eat food?

SECTION B: 60 MARKS

27. (a) Give two sources of water.

(i) _____

(ii) _____

(b) How is water useful at home?

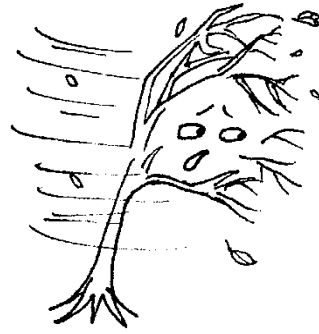

28. Write the roles of the following members in a family.

(a) Children _____

(b) Mother _____

(c) Father _____

29. Name the following types of weather.

30. Write two activities people can do in the dry season.

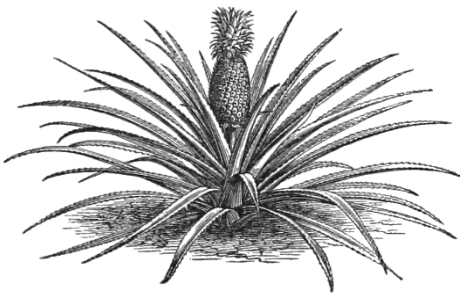

(i) _____

(ii) _____

31. Matching correctly.

sugarcane plant

pineapple plant

banana plant

32. Write one animal that moves by;

(a) slithering _____

(b) flying _____

33. Write two things found in a first aid box.

(a) _____

(b) _____

34. (a) Give one effect of accidents.

(b) How can children prevent accidents at school?

35. Write the sounds made by these animals.

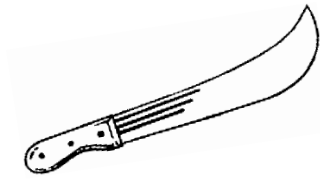

(a) Dog _____

(b) Cow _____

36. Draw these two things we make at school.

basket	ball

37. Match these garden tools to their uses.

for digging

for cutting trees

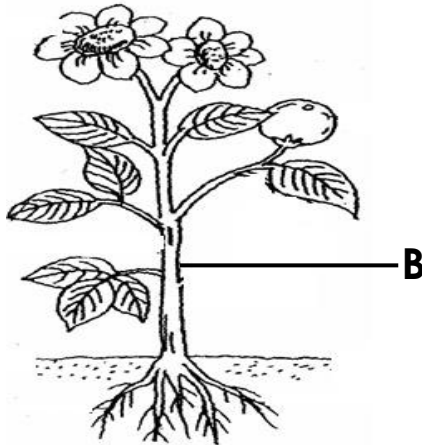

for collecting rubbish

for watering plants

38. The diagram below shows a plant.

Name part B.

PAPER 4

SECTION A - (40 MARKS)

70. Name the body part used for seeing?

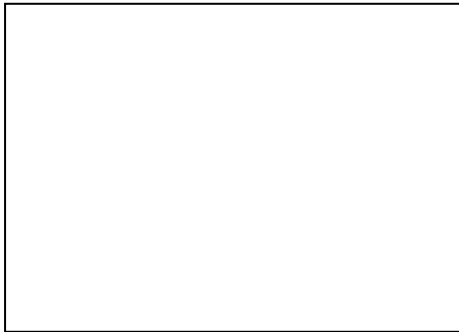

71. How is a dog important in a home?

72. Give **one** way of caring for our teeth.

73. Give **one** example of a sharp object.

74. Why do we wash our hands before eating food?

75. In the space below, draw any one play object.

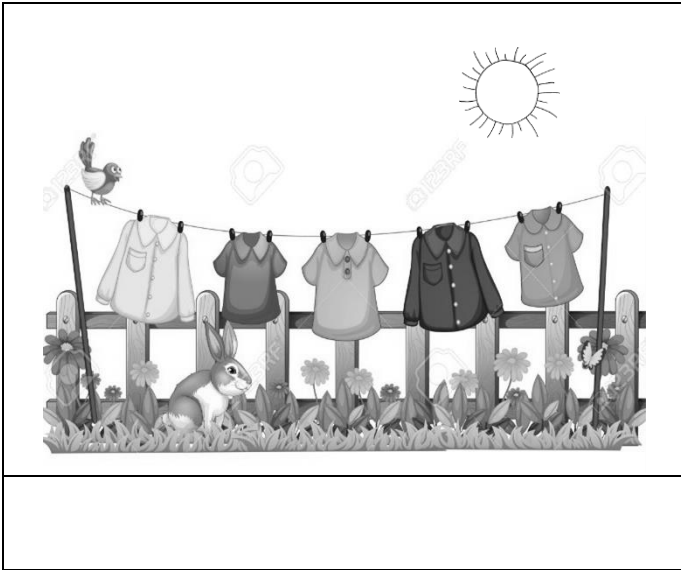

76. What do people use for making pots?

77. Circle only **two** common diseases.

malaria, sleeping, measles, housefly

78. Mention the type of weather shown below.

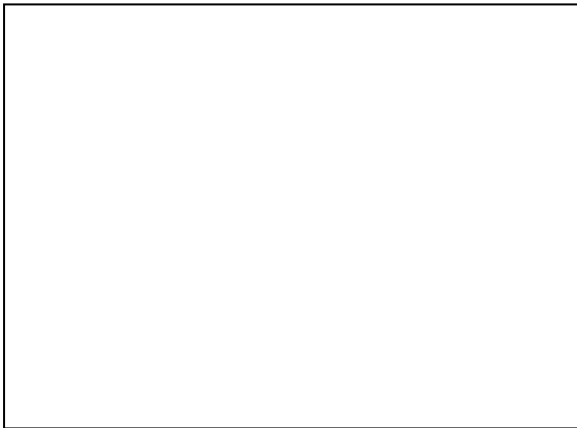

79. Name any **two** examples of food eaten at school.

(i) _____

(ii) _____

80. Draw a home for people.

81. Give any **one** use of a cow to people.

82. How are plants important to people?

83. Draw these garden tools.

a hoe	a panga

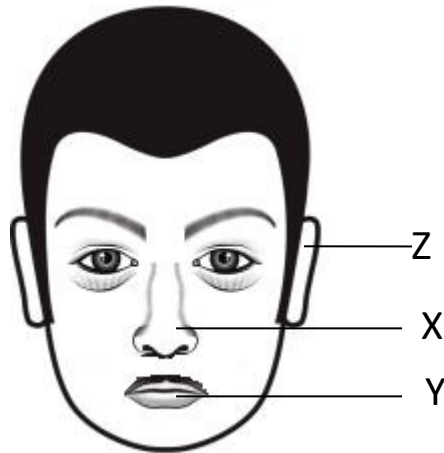

84. Tick (✓) any two ways of controlling diseases.

eating dirty cakes, boiling water for drinking, cleaning
toilets, playing in dirty places.

85. How is a rope important to children?

SECTION B (60 MARKS)

86. Name these body parts.

Z _____

X _____

Y _____

87. How do the following animals move?

(a) baby - _____

(b) bird - _____

(swimming, flying, slithering, crawling)

88. Name these items we use for keeping our bodies clean.

89. How do we keep our school compound clean?

(i) _____

(ii) _____

90. Name the item below.

91. Give any three wild animals.

(i) _____ (ii) _____

(iii) _____

92. Match the body organs to their senses.

Ears	feeling
Tongue	hearing
Nose	tasting
Skin	smelling

Ears	_____
Tongue	_____
Nose	_____
Skin	_____

93. Name these uses of water at home.

94. How is a donkey important to people?

95. (a) Name any **one** place where people get food.

(b) Name the food below.

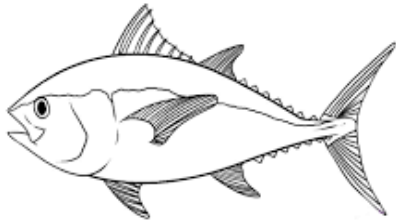

(c) What do we use to peel this food?

96. (a) Who heads a family?

(b) Give any **one** role of children in a family.

(c) Which type of family has parents and their own children only?

97.

(a) Name the animal shown above.

(b) Where does this animal live?

(c) Give the use of this animal to people.

PAPER 5

SECTION A

1. Name one animal which gives us milk.

2. Give one way of keeping our school clean

3. Draw these parts of the body.

leg	ear

4. How is a broom useful to people?

5. Why do we wash our hands before eating food?

6. Where does this animal live?

7. Name any one item made from animal hides.

8. Tick two things used to clean the latrine.

soap , sand , books , broom.

9. Draw these play materials we make at home.

doll	rope

10. How do we keep our cups clean?

11. Give the work of a nurse at school.

(To teach children , To care for sick children.)

12. Name these dangerous objects.

13. Write the use of a horse at home.

(For ploughing , For transport).

14. Which part of your body do you clean with the item below?

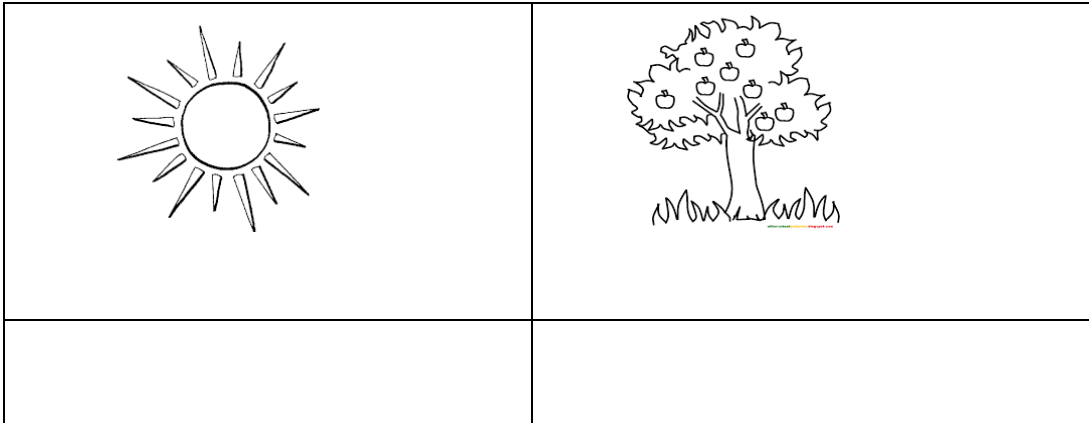

15. Name any two foods eaten at school.

(a) _____

(b) _____

SECTION B

16. Name these things found in the environment.

17. Write the animals which make these sounds.

(a) barking _____

(b) mooing _____

18. Match the body parts to their uses.

- (a) Mouth seeing
(b) Hands eating food
(c) eyes washing clothes

- (a) Mouth _____
(b) Hands _____
(c) Eyes _____

19. Give the use of theses garden tools.

- (a)  _____

- (b)  _____

20. How do these animals move?

- (a) fish _____
(b) bird _____

21. (a) Which item is used for proper disposal of rubbish?

(dust bin , duster)

(b) Tick two ways of keeping our classroom clean.

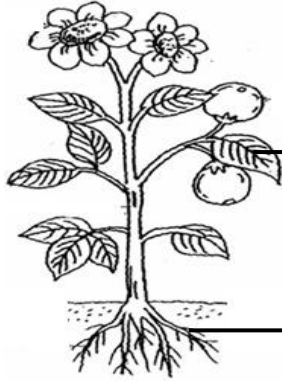

Eating from the class.

Dusting chairs and bottles.

Putting rubbish in the dustbin.

Bringing rubbish to class.

22. (a) Name the parts of the plant.

(b) Give one way of caring for plants.

23. (a) How many legs do these animals have?

(i) a cat _____

(ii) a hen _____

24. (a) Write two sources of water.

(i) _____

(ii) _____

(b) Give one use of water at home.

25. Write two types of weather.

(i) _____

(ii) _____

26. Draw these items we make from clay.

cup	pot

27. (a) Write one way of caring for our hair.

(b) Give one danger of not bathing daily.

28. (a) What is the best food for babies?

(rice , chocolate , breast milk)

(b) Give one role of a mother at home.

PAPER 6

SECTION A:

39. Name the body part used for walking.

40. Give one food stuff we eat at school.

41. Draw one item we use to keep our bodies clean.

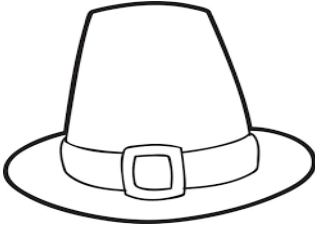

42. Which insect spreads malaria?

43. Write the two types of seasons we have.

(i) _____

(ii) _____

44. Name these items used to manage weather.

45. How does a fish move?

46. Name any two sources of water.

(i) _____

(ii) _____

47. Write the sound made by these animals

a) Dog _____

b) Cow _____

48. Name one insect eaten by people.

49. Draw these items we make from animal hides.

shoe	bag

50. Give one way of keeping the classroom clean.

51. Write down one skin disease.

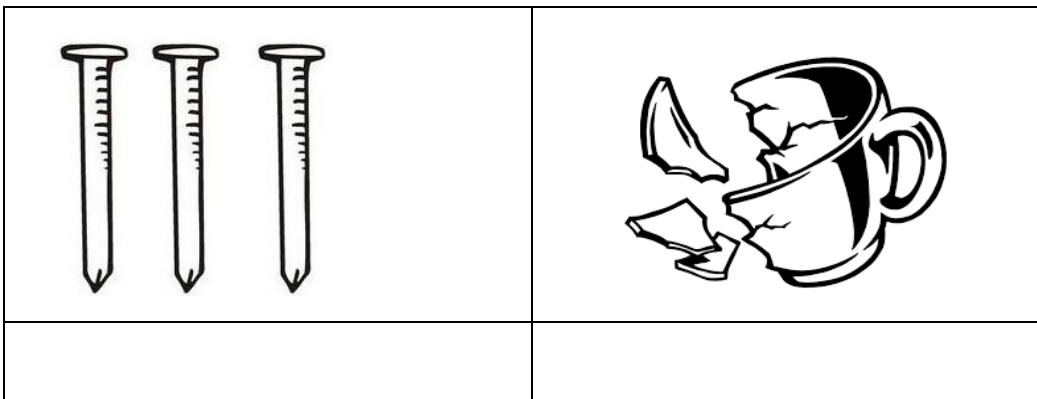

52. How can we control common diseases at home?

53. Name the disease this child is suffering from.

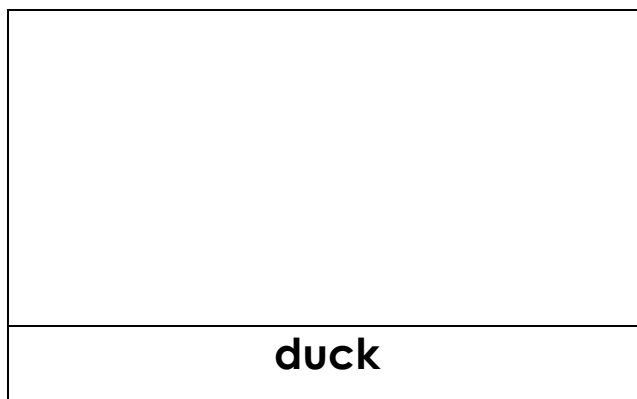

54. Which animal gives us mutton?

55. Name these things which can cause accidents.

56. Draw this domestic bird.

57. Identify one group of people who work in a hospital.

58. Give any one role of these family members.

a) Father _____

b) Mother _____

59. Give one use of water at home.

60. Name one living thing which lives in water.

61. Name one plant whose fruit we eat.

SECTION B

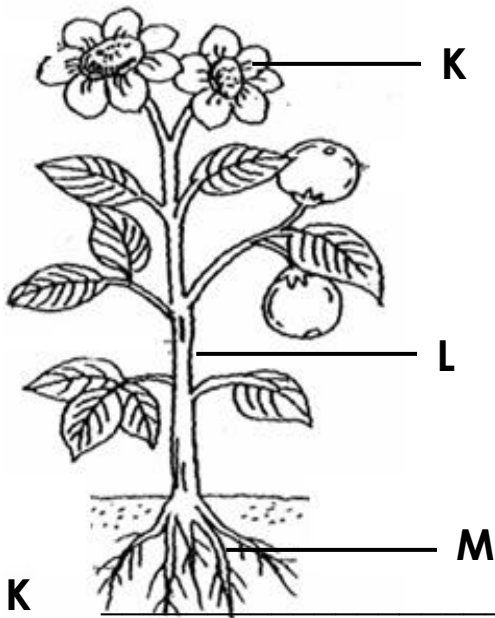

62. a) Give the use of these animals to people.

(i) dog _____

(ii) horse _____

b) Write one way of caring for a dog at home.

63. Name the parts of a plant below.

K

L

M

b) How are plants useful to people?

64. Give the use of the garden tools below.

a)

b)

c) Write one way of caring for garden tools.

65. Name any two things we use to clean our toilets.

(i) _____

(ii) _____

66. a) Draw these food stuffs we eat at school.

apple	banana

b) Why do people eat food?

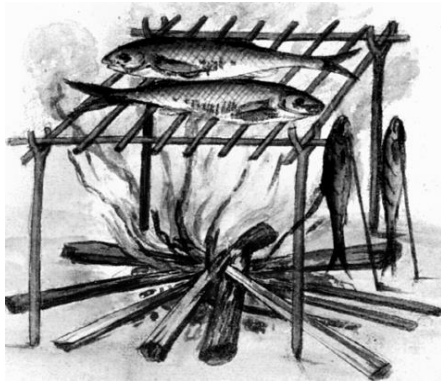

67. How do these animals move?

(i) Snake _____

(ii) cow _____

b) Give one way of caring for your body.

68. a) Identify the way of preserving food below.

b) Give one way of keeping cooked food safe.

69. Name the young ones of these animals.

a) Goat _____

b) Pig _____

70. Draw these non-living things in our environment.

chair	stone

71. Match these animals to their weapons correctly.

Animal

Weapon

Dog

horns

Bee

teeth

Cow

sting

a) Dog _____

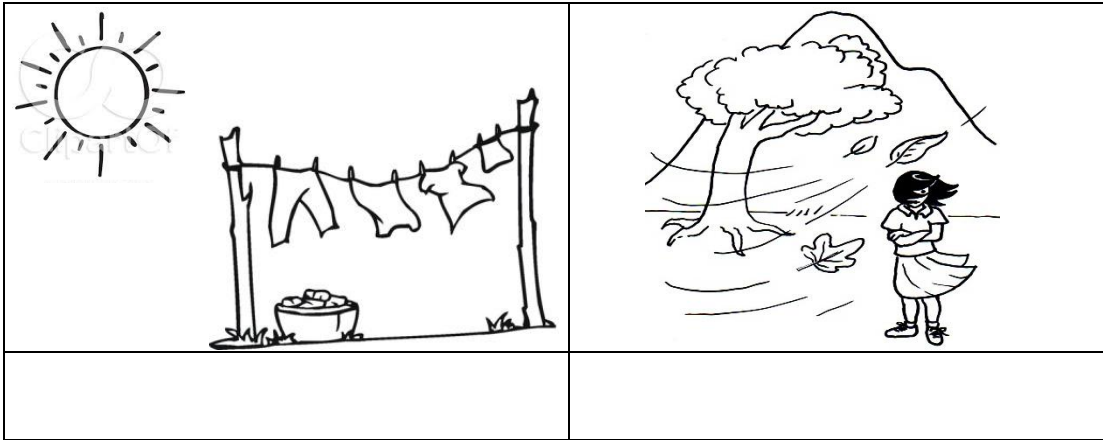

b) Bee _____

c) Cow _____

72. a) Name one item used to brush our teeth.

b) Why do we brush our teeth every after a meal?

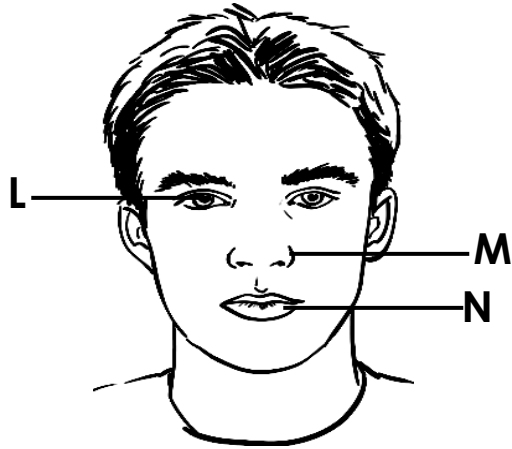

73. Identify the type of weather shown below.

74. Give one disease without a cure.

[malaria , trachoma , AIDS]

75. Name the parts of the body below.

(i) L _____

(ii) N _____

b) Give the use of part M.

PAPER 7

SECTION A : (40 MARKS)

1) Name any **one** thing you put on before going to school.

2) Give any **one** way of caring for your eyes.

3) Draw these food stuffs.

Banana	An apple

4) Write any **one** material we can use to stop fire.

5) Circle **the animal** used for transport.

Lion, donkey, goat, cat.

6) Write any **two** dangerous objects.

a) _____ b) _____

7) Draw these things.

bag	book	ball

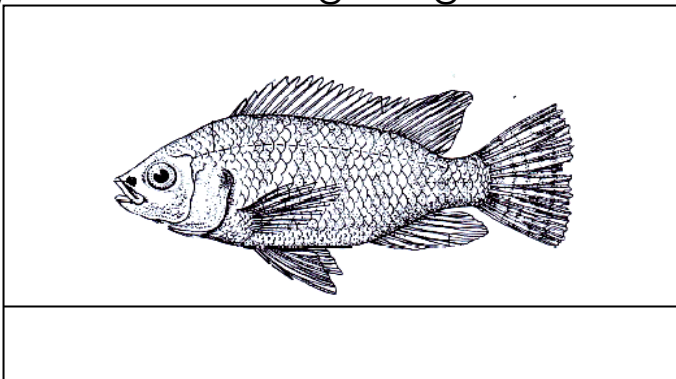

8) What do people do before eating food?

9) Give any **two** uses of water to people.

a) _____

b) _____

10) Name the living things shown below .

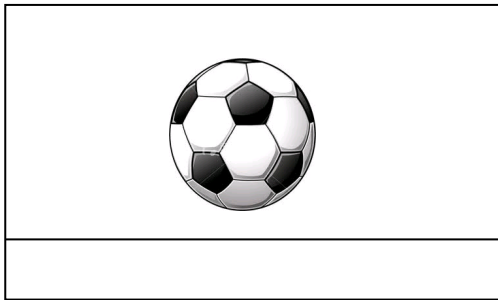

11) Mention any **two** human body parts found on the head.

a) _____ b) _____

12) Why do people keep hens at home?

13) Give **one** basic need of people.

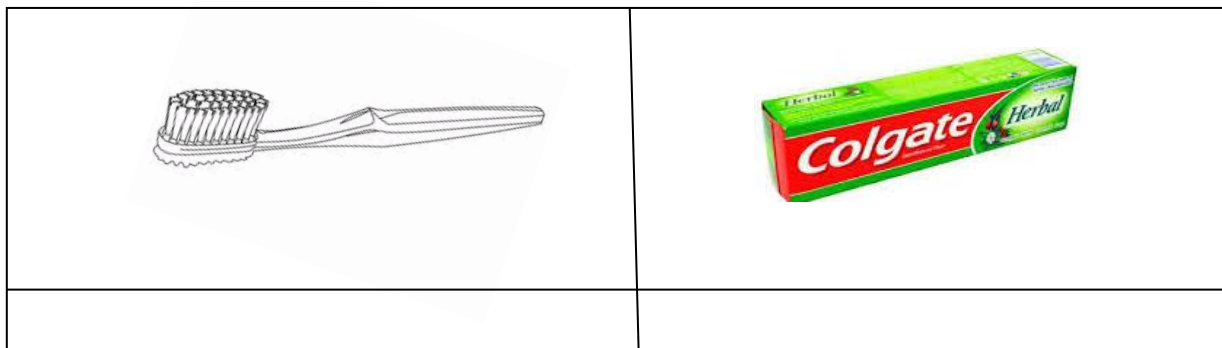

14) Name the playing material below.

SECTION B (6 MARKS)

15) How do people keep mosquitoes away from their homes?

16) Name these items used to clean our teeth.

17) How are these materials used in cleaning our classroom?

a) broom_____

b) rag_____

18) How is a nurse useful at school?

19) How do we care for these items?

a) shoes._____

b) plates_____

20) Give any **one** use of these people in a family.

a) mother_____

b) Father_____

21) Why do we wash our hands after picking rubbish?

22) Which animal guards our homes?

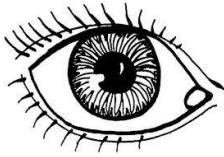

23) Name this item we use to protect ourselves in rainy weather.

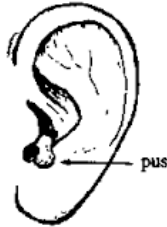

24) Match these items correctly:-

ear

mouth

nose

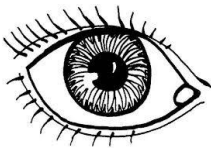

eye

Match these items correctly:-

a)

b)

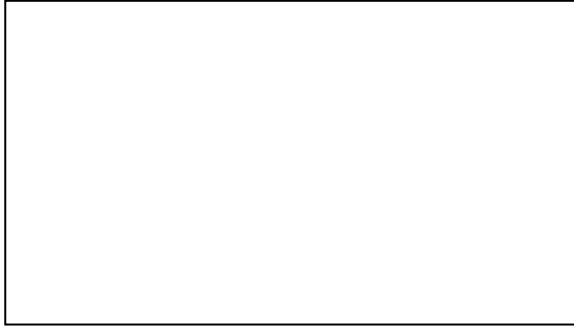

c)

d)

b) Draw a hen.

PAPER 8

SECTION A:

1. Name any two materials used to keep the body clean.

(i) _____

(ii) _____

2. Why do people keep birds at home?

3. Write any two common diseases.

(i) _____

(ii) _____

4. Which body parts do we use for:

(a) Walking _____

(b) Tasting food _____

5. Which name is given to animals that live in bushes?

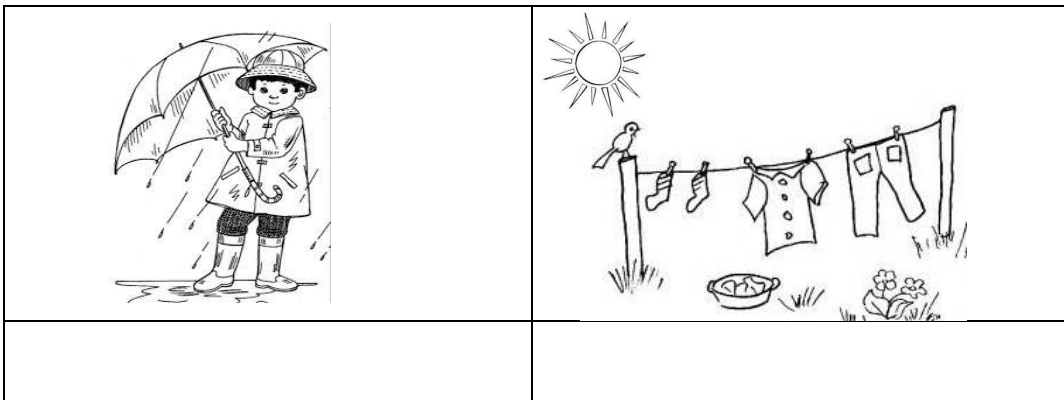

6. Draw and name any one object used to clean your school compound.

7. How are bees useful to people?

8. Which tool do we use when digging?

9. Give the use of a nurse at school.

10. Name these types of weather.

11. From which room of a house do people bathe?

12. Why do people wash their hands after picking rubbish?

13. Name any two insects that spread disease germs.

(i) _____

(ii) _____

14. Draw these dangerous objects.

nail	razor blade

15. Circle the immunisable diseases only.

AIDS polio tooth decay measles

SECTION B

16. Name any two sources of water.

(i) _____

(ii) _____

17. Give any one role of the following members in a family.

(a) Mother _____

(b) Children _____

18. Draw the parts of a plant.

leaf	flower

19. Why do animals move from one place to another?

20. Write any two plants found in your school compound.

(i) _____

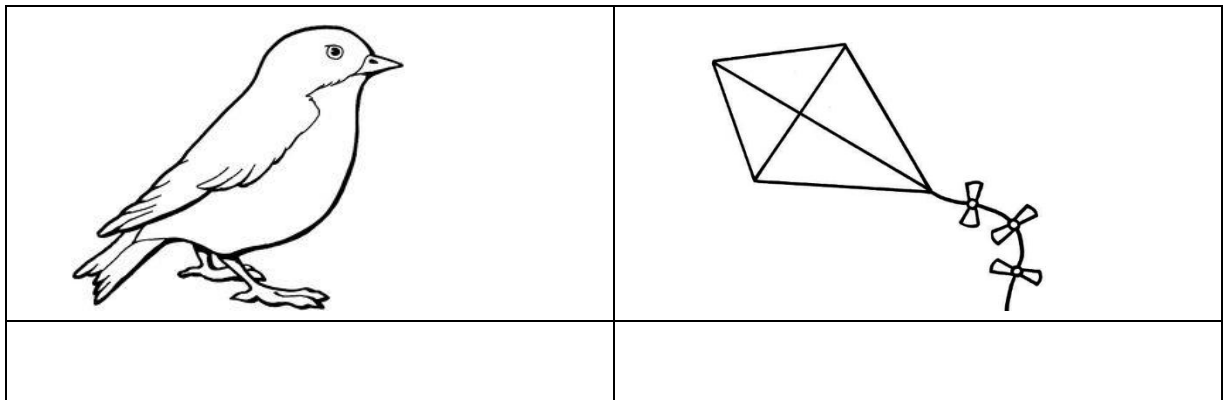

(ii) _____

21. Write any two uses of water at home.

(i) _____

(ii) _____

22. Name these things that can fly.

23. Write one domestic animal used in transport.

24. Which name is given to the sudden happening that causes harm to the body?

25. Draw this item used to manage weather.

gumboots

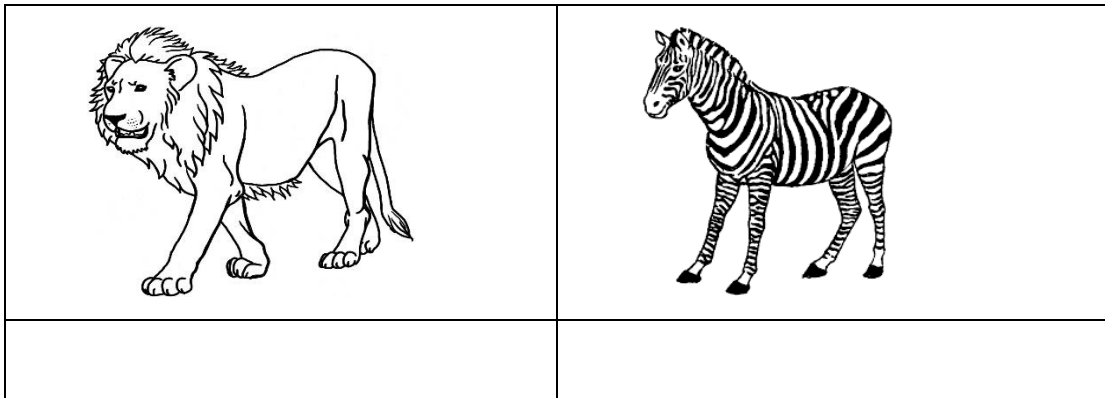

26. Where do we put rubbish in a school?

27. Give any two items found in a kitchen?

(i) _____

(ii) _____

28. The pictures below show wild animals. Name these animals.

29. Give one use of the sun to people.

30. Name any two places where people can get food.

(i) _____

(ii) _____

31. Below is a body organ. Use it to answer the questions that follow.

(a) Name the body organ above.

(b) Give the use of the above organ to people.

32. Draw these foodstuffs.

banana	orange

PAPER 9

SECTION A:

76. Name any one domestic bird.

77. How do you keep your teeth clean?

78. Which element of weather helps people to dry clothes?

79. Give any two immunisable diseases.

(i) _____

(ii) _____

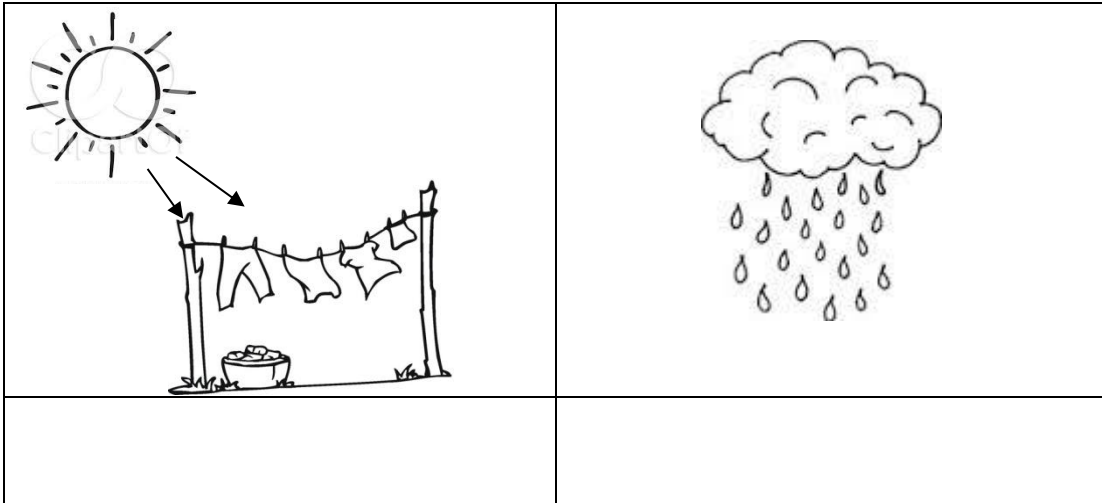

80. Draw one item used to keep your classroom clean.

81. Give any two common accidents at school.

(i) _____

(ii) _____

82. Name these types of weather.

83. Why do people eat food?

(i) _____

(ii) _____

84. Write any two uses of water to people.

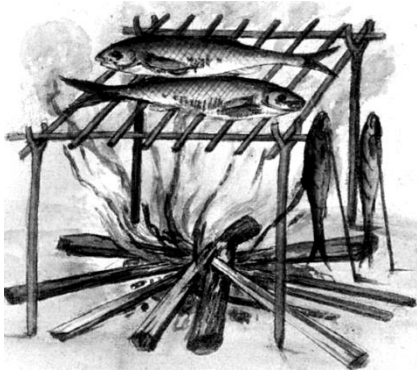

(i) _____

(ii) _____

85. Give any one danger of too much rain.

86. How do most birds move?

87. Identify this way of preserving food.

88. Name the insect which provides honey to people.

89. How is a dog useful in a home?

90. Give the use of these items at home.

rubbish

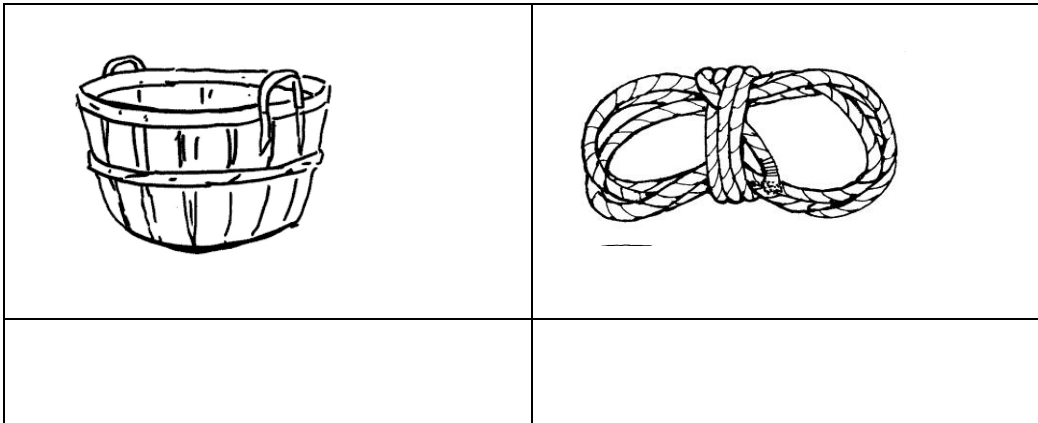

91. How do people care for their animals at home?

92. Name the plant below.

93. Write any one activity farmers do in the wet season.

94. Identify these things we make at home.

95. Give any two sources of food.

(i) _____

(ii) _____

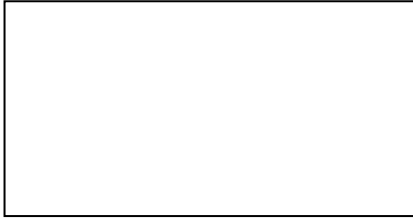

96. Name any two things found in the dining room.

(i) _____

(ii) _____

97. Write any one group of animals.

98. Draw any one item used to prepare food in the kitchen.

99. Give any two animals used for transport.

(i) _____

(ii) _____

100. Name any two harmful insects.

(i) _____

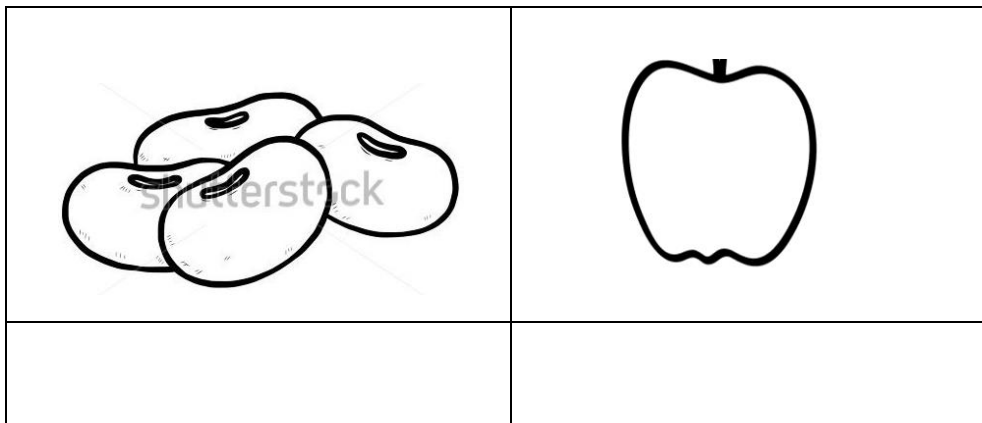

(ii) _____

101. What do we call the young one of these animals?

(iii) Goat _____

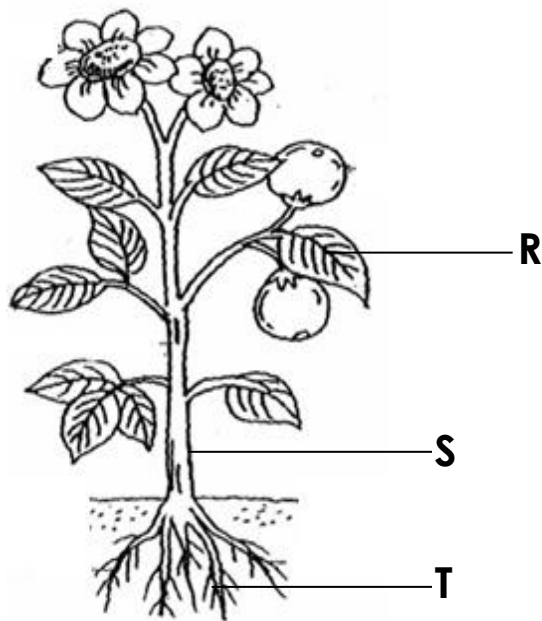

(iv) Lion _____

102. Name these food stuffs we eat at home.

SECTION B

103. The diagram below shows a plant.

a) Name the parts marked R , S and T.

R _____

S _____

T _____

b) Give one use of plants to people.

104. Name two dangerous objects that cause cuts at home.

(i) _____

(ii) _____

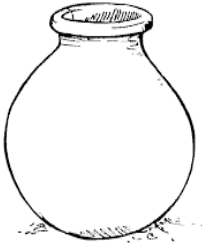

b) Draw and name any two things used to give first aid.

105. Name any two things used to manage rainy weather.

(iii) _____

(iv) _____

106.a) Name this item made out of clay soil.

b) How is the above item useful to people?

107.a) Name any two body parts found on the head.

(ii) _____

(ii) _____

b) Give one way of caring for your body.

108.a) Write two components of the environment.

(i) _____

(ii) _____

b) Name one animal that lives in water.

109. Match the garden tools to their uses correctly.

For digging

For watering crops

For collecting rubbish

For slashing

110. Write any one role of these people in a family.

a) Mother _____

b) Father _____

b) Which type of family has parents and their own children only?

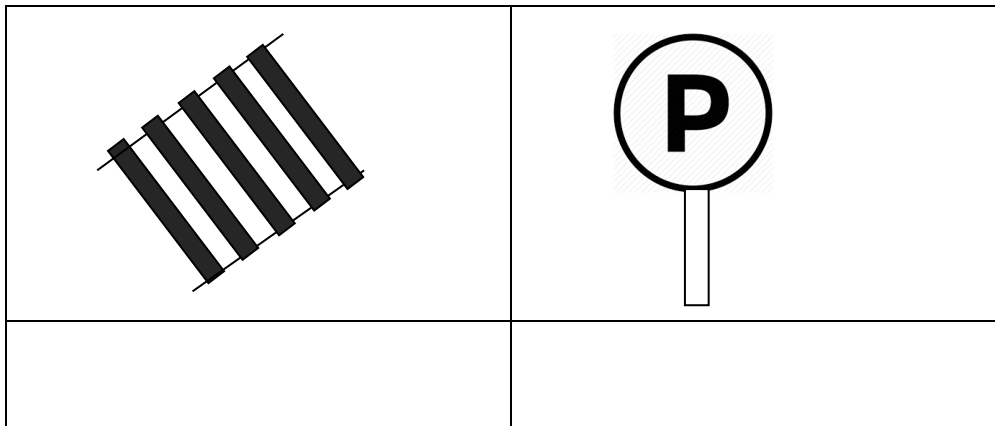

111. Name the homes of these animals.

d) Bird _____

e) Spider _____

f) Pig _____

112. Name these road signs.

PAPER 10

SECTION A:

98. Name the part of the body used for smelling.

99. Write one common accident at school.

100. Circle one item that we use to clean our teeth.

towel broom toothpaste

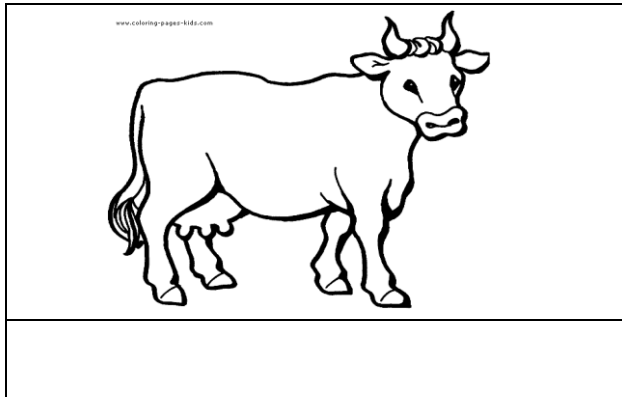

101. How are these tools useful to people?

(a) Hoe _____

(b) Knife _____

102. Give one way of caring for your school uniform.

103. Give one product we get from this animal.

104. Write one use of trees to people.

105. How does a bird move in air?

106. Draw these things found in our environment.

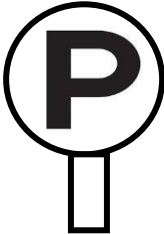

fish	house

107. Name one source of water.

108. Write one item we use to collect rubbish.

109. Give one danger of too much sunshine.

110. Name these road signs.

111. Which insects give us honey?

112. Why do we wash our hands after visiting the toilet?

113. Draw these food stuffs we eat at school.

banana	mango

114. Give the use of this item we make at school.

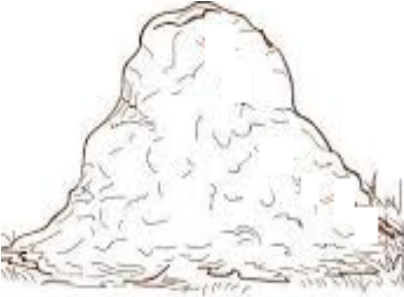

115. Write two dangers of having a dirty body.

(i) _____

(ii) _____

116. Which animals live in the homes below?

117. Name two objects in the kitchen that can be dangerous.

(i) _____

(ii) _____

118. Write one member of a nuclear family.

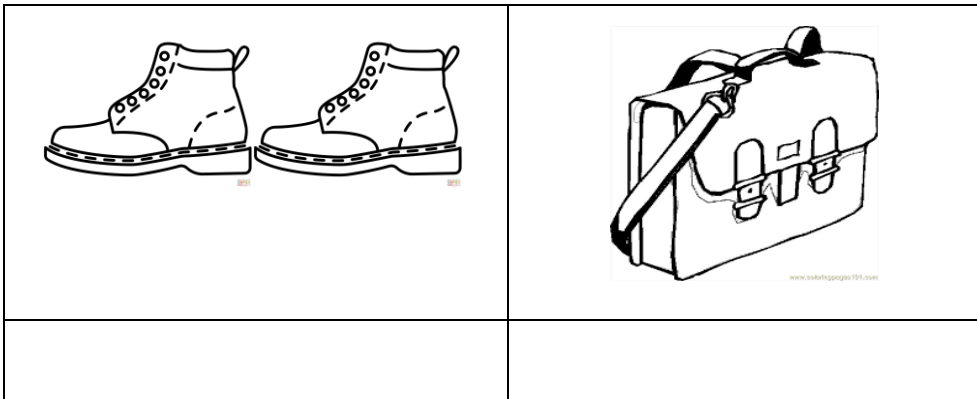

119. Give two common diseases.

(i) _____

(ii) _____

SECTION B

120. Name these items people make from hides.

121.(a) Write two sources of food.

(i) _____

(ii) _____

(b) Give two ways of preserving food at home.

(i) _____

(ii) _____

122. Give two examples of living things in our school compound.

(i) _____

(ii) _____

(b) Write two characteristics of living things.

(i) _____

(ii) _____

123. Match the animals to their young ones.

cow - kid

goat - chick

sheep - calf

hen - lamb

(a) Cow _____

(b) Goat _____

(c) Sheep _____

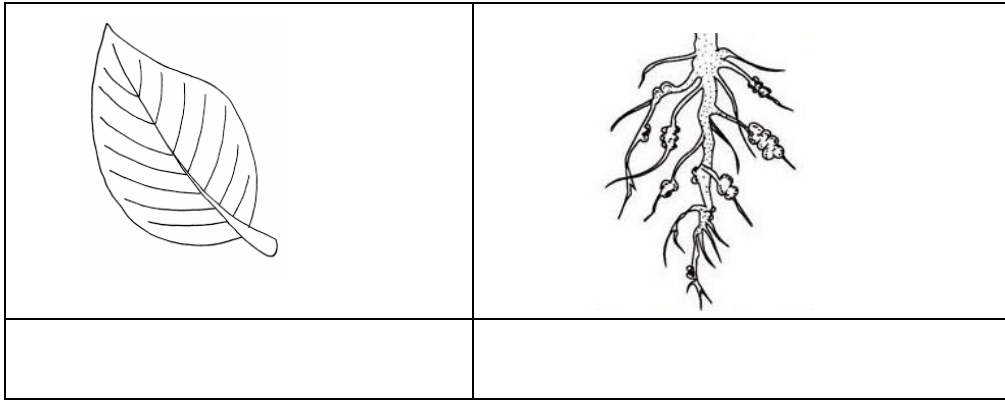

(d) Hen _____

124. Write two activities people do in the wet season.

(i) _____

(ii) _____

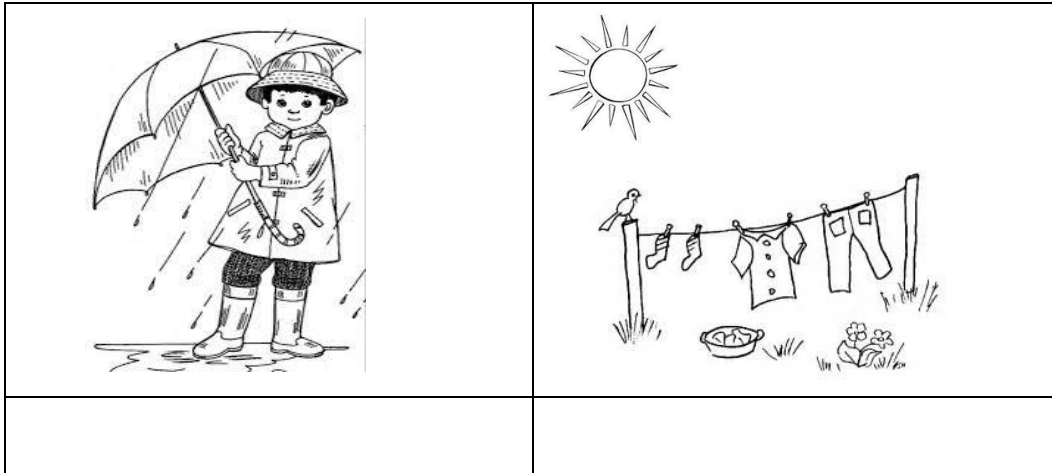

125. Name these parts of a plant.

126. Tick (✓) two activities that damage our environment.

- (a) Cutting trees
- (b) Sweeping the compound
- (c) Burning grass

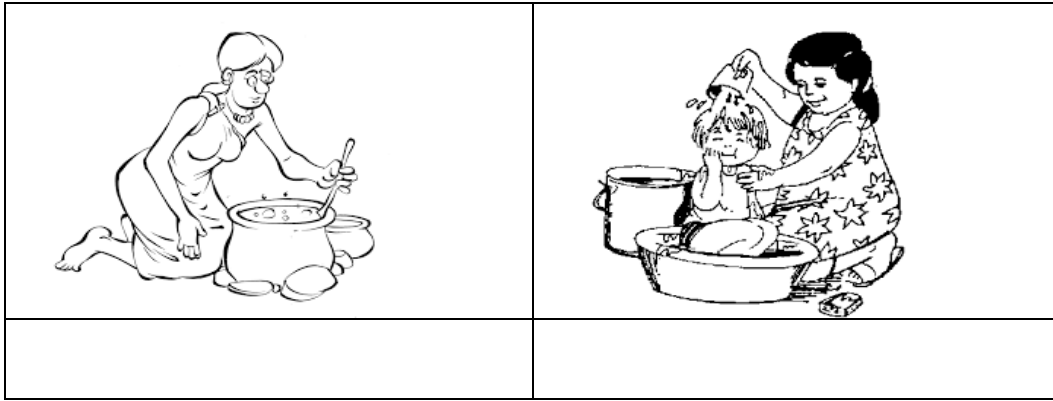

127. Identify the types of weather.

(b) Write two things we use to manage rainy weather.

- (i) _____
- (ii) _____

128. Name these uses of water.

129.(a) Why do people go to hospital?

(b) Name two people who work in a hospital.

(i) _____

(ii) _____

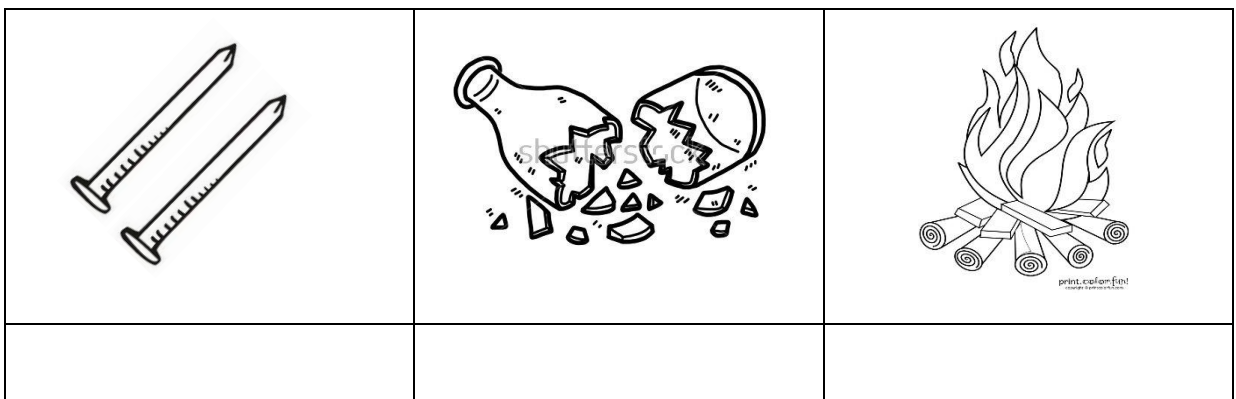

130. Name two things found in the bedroom.

(i) _____

(ii) _____

(b) Give one way of caring for your bedroom.

131. Identify the dangerous objects below.

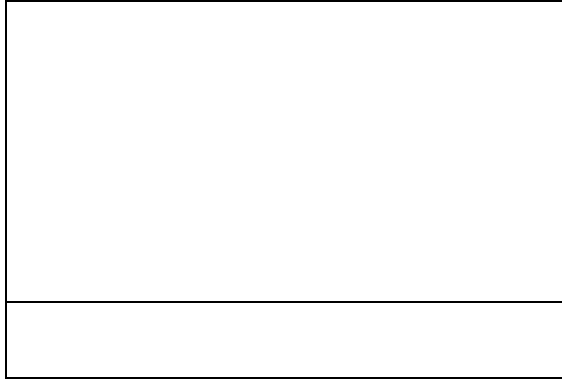

PAPER 11

SECTION A:

1. Name any one item we can use to keep the school clean.

2. Draw and name the body part used for seeing.

3. How do you keep your hands clean?

4. Name the animal that guards our homes?

5. Why do people keep domestic animals?

6. Write any one common disease.

7. Why are bees useful to people?

8. **Name this type of weather.**

9. **Give one accident at home.**

10. **Which animal moves by slithering?**

11. **How do we prevent ourselves from mosquito bites?**

12. **Name any one type of house.**

13. **Name any one item that can cause harm to your body.**

14. **How do we call the state of the atmosphere of a place at a given time?**

15. **Draw and name one living thing found at school.**

16. Which part of the body do we use to do the following.

a) walking - _____

b) tasting - _____

c) writing - _____

17. From which room of the house do we bathe?

18. Write down one animal that has more than 4 legs.

19. **Draw and name any two items used for keeping our bodies clean.**

20. Give one activity done by farmers in the garden.

21. Name the disease these children have.

22. What name is given to animals that live in the bush?

SECTION B: (70 MARKS)

23. Name any two places where people get food.

(i) _____

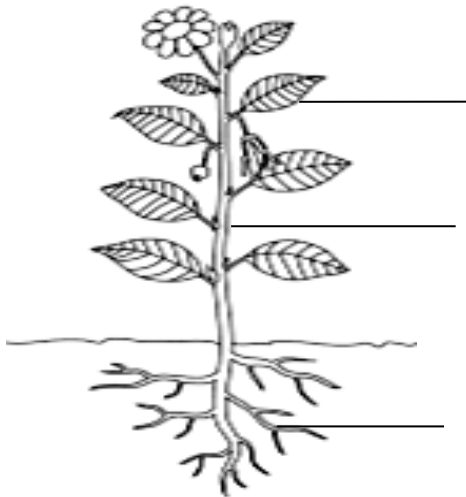

(ii) _____

24. State two ways of caring for plants.

(i) _____

(ii) _____

25. Name the parts of a plant below.

26. How is water useful to people?

(i) _____

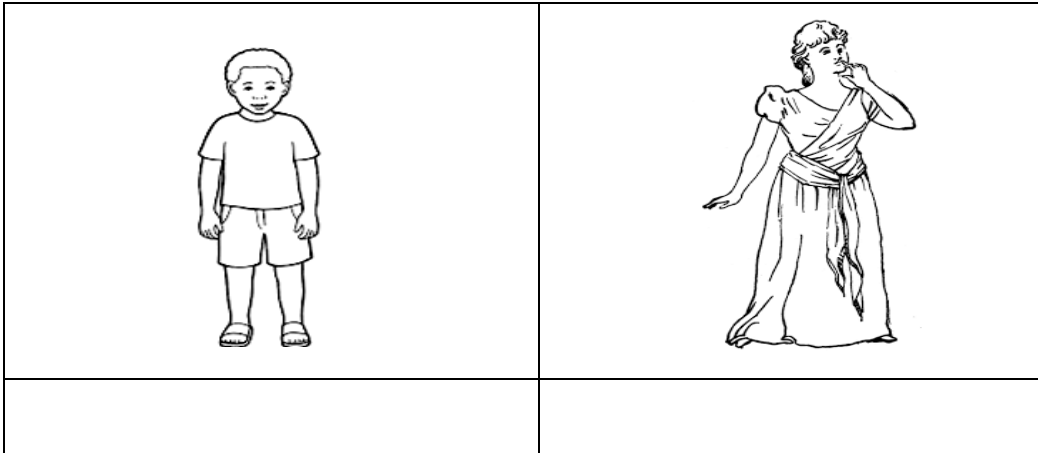

(ii) _____

27. In which season do farmers carry out the following activities?

a) planting - _____

b) harvesting - _____

28. Name these members in a nuclear family.

29. Why do animals move from place to place?
