51. Read the passage below carefully and in full sentences answer the questions that follow.

#### BOL'S SPARE PARTS

Bol is a businessman in Kiseka Market. He is a dealer in motor vehicle spare parts. Spare parts are from Japan and Germany. Spare parts are parts of a machine which are used by the mechanic to replace damaged or old ones.

Bol imports spare parts like engines, headlamps, gear boxes, windscreen wipers, pistons, driving mirrors, tyres. Screen wipers are blades with a rubber edge which move across a windscreen to make it clear for example when it is raining.

In addition, he imports tools used in vehicle repair such as carjacks, files, testers, adjustable spanners, hacksaws, pliers, screw drivers and pumps. A pump is a simple machine that is used to inflate a tube with gas or air pressure.

Bol receives customers every day. His customers come from near and far. They come to purchase spare parts for their vehicles which have broken down or to replace the old ones that are worn out. People like Bol's spare parts because they are original and durable.
